March 2016 - Issue 83

## TEXANA TEE OFF - APRIL 4, 2016

Grab your clubs and join us for the 2016 Texana Tee Off at the beautiful Weston Lakes Country Club. This 18 hole fundraising scramble includes; lunch, dinner, live and silent auctions. All proceeds from this year's tournament will benefit the *Forward Together in Fulshear Capital Campaign* to build a campus to serve the Fulshear/Katy area. Sponsorships are available ranging from \$3,000 to \$200 and we are accepting auction donations. What could be better than a great day of golf while helping a worthy non-profit organization!

Interested - contact Andi Wallis at Phone 281-239-1427 or [andi.wallis@texanacenter.com](mailto:andi.wallis@texanacenter.com)

## WELLS FARGO VOLUNTEERS

Team members from Wells Fargo Merchant Services once again chose Texana Center for their 'day of caring'. They began with an overview of Texana Center followed by a tour of the Children's Center for Autism where they surprised the children in the Bridge Class with Wells Fargo soft toy ponies, coloring books and a huge plush pony for the classes to share!

They headed over to the Learning Center at Rosenberg to spend the rest of the day volunteering with the adult clients in our Texana Decor & More... program. There they assisted the clients in assembling signs with power drills and putting vinyl lettering onto the signs. At the end of the day, the Wells Fargo volunteers bought signs to take back to their office.

Texana Center is extremely lucky to have such a great connection. Thank you to all of the Wells Fargo employees for spending their time volunteering and for bringing all those special gifts for the children in the autism program.

## WEST END ANGLERS DONATE

The West End Anglers, lead by Coe Parker, once again selected Texana's Children's Center for Autism as the beneficiary of their Big Trout Tournament and Fundraiser Raffle. The raffle brought in \$4,297.92 which was donated to Texana and will be applied to constructing a new playground for the younger children at the Rosenberg campus. The anglers have donated a total of \$15,000 over the past 5 years. Thank you to all concerned - keep fishing!

## ROTARY WELCOMES TEXANA TO FULSHEAR

George Patterson was the guest speaker at a recent meeting of the Rotary Club of Brazos River in Fulshear. Tony Francis, President, welcomed him and Don McCoy introduced George to his fellow Rotarians.

George proceeded to show a video about Texana Center's services while also explaining why we need more funding. He talked about the planned Fulshear campus and the fact that we would be bringing around 200 staff to Fulshear. Then it was time to see a short animated video of what the Texana Fulshear Campus at FM 359 and Wallis Street is going to look like. He stressed that we would be retaining most of the large oak trees on the land thus retaining that wooded campus feel.

George then talked about the *Forward Together in Fulshear Capital Campaign* to raise \$8 million and that Texana is looking to the community to help make our dream a reality.

If you are interested in becoming involved in the campaign, please contact Tracey Shaw, Director Development & Community Relations at Phone 281-239-1311 or Email [tracey.shaw@texanacenter.com](mailto:tracey.shaw@texanacenter.com)

## BH CLINIC STAFF PARTNER WITH THE ROSE

The employees of Texana's Integrated Healthcare Clinic partnered with The Rose to provide cancer screening to 25 patients attending the clinic. Integrated Healthcare takes care of the general health of our patient's who are affected by mental illness and The Rose is a non-profit organization dedicated to providing breast cancer awareness and treatment to the uninsured.

This is just on of the many ways that Texana's staff work hard to improve the quality of care and services our patients receive.

## STUDENTS FROM ELKINS HIGH SCHOOL THROW A PARTY

For the second year in a row the Student Council at Elkins High School voted to organize a Valentine's Party for the adult clients at the Learning Center in Missouri City. Himadri Gehlot, Vice-President approached the center and asked if they could host a party. The students put on a lunch, spent time talking, socializing and dancing with the clients. A great time was had by everyone involved. Thank you to all of the students who helped.
